

## Stone Bridge School Community Giving Program Academic Year: 2017-18

### Why Community Giving needs your participation:

- Historically, the Community Giving Program has contributed \$150,000+ to our school's budget. These donations enable us to provide a full, rich education for your child with programs such as music, handwork, woodwork, movement, and world language. These offerings would not be possible on State funding alone.
  
  - Stone Bridge School does not charge fees for enrollment; and this program is not a fee for participation program. Our Community Giving Program has always been, and remains, a completely voluntary donation. Our 2017-18 Community Giving goal is \$150,000. **Participation in the Community Giving Program is not mandatory and your child's enrollment will NOT be affected by your participation in this program.**
  
  - Community giving, however small, shows a united commitment when seeking grants. It lets benefactors know that we all stand behind a public Waldorf education. One dollar could yield one thousand!
- 

### If you wish to make a voluntary donation, we have different options for you:

- ( ) Twelve monthly payments (July through June) of \$200/month per child for a total annual donation amount of:  
\$\_\_\_\_\_ by June 30, 2018.

  - Does your employer(s) have a donation matching program? **Yes No**  
Many small and large companies do. Please check with your employer about this possibility.
  
  - Automatic bill paying saves time, energy, and paper. Your monthly contribution can be easily set-up with the attached form.
  
  - Every contribution brings us closer to our goal. We understand that some families may have the ability to offer greater financial support than the suggested amounts and those contributions are deeply appreciated.
