to SBS and our Community with your Business

For those that own a business, would you be willing to offer a percentage or another promotional offer for purchasing or using your services, similar to Dine-N-Donate?

This could be as simple as offering a percentage or dollar amount back to either a SBS Family Customer or directly to SBS when a purchase is made or you are hired for a service. Get creative – offer a donation on a specific type of purchase, such as a percentage back on a full case of wine. Or perhaps you feel passionate about a specific SBS program – consider making a tax-deductible donation through your business directly to SBS. **We invite you to include this "Giving Forward" offer to our community as an additional line of your Business Listing. Here are some examples of offers already given by other SBS Families:**

20% discount on all services to immediate family members of SBS Families, Faculty and Staff at Bloom Salon: *Jamie Ferrington*

A percentage is given to SBS for all services with Eco Plumbing: *The Geiler Family*
